

Parking & Transit Services is pleased to provide shuttle, bus, van, and minivan reservations on a **first come, first serve** basis to any department or group affiliated with Mississippi State University.

- All reservations are based upon availability and include a driver. Vehicles may only be operated by one of our assigned drivers.
- If a department needs transportation for day trips, a shuttle, van, or minivan may be reserved. If your request is for an extended trip, buses may be chartered through Procurement & Contracts.
- Wheelchair-accessible shuttles are available upon request.
- We do not provide shuttles with on-board restrooms or luggage racks; for these features a bus must be reserved.
- For requests intended for on-campus tours, the reserving department must provide route information at the time when the reservation form is submitted. Please note: Any requests which require shuttles or buses to operate in gated areas or streets which are blocked by bollards may be assessed additional fees from Parking Services.
- All reservation requests must be booked at least 14 business days in advance of the needed date. Any department or group who submits a reservation form less than 14 business days prior to the requested service date is subject to a non-refundable Priority Processing Fee if the service is approved. This charge is in addition to all other rates and fees. See the "Rates/Fees" section for current rate information. Service is only granted when drivers, shuttles, vans, & buses are available. When a form is submitted for priority processing we will do our best to schedule the reservation. However, it does not guarantee that the service will be available.
- When a department submits a request form we ask that all portions of the form are completed, include all necessary information, and have an authorized signature. If not, the form will be need to be returned which may force a delay in processing the request.
- Events Reservation request forms along with any other required paperwork may be sent to us via campus mail at mailstop 9568 or by faxing it to (662) 325-1771.
